HOLIDAY COAST CREDIT UNION COMMITS TO NABIAC

Following a series of community meetings the last of which was held on Tuesday 7th October, the senior management of Holiday Coast Credit Union have advised the NABIAC community that it will be maintaining its branch at Shop 3, Village Green, NABIAC.

This is great news for the NABIAC community as Holiday Coast Credit Union provides the only Branch facility offering the full range of banking products and services. CEO of Holiday Coast Credit Union Neville Parsons advised this is a positive outcome and a reflection of the existing members desire to rally behind and encourage better usage of the facilities of the branch of Holiday Coast Credit Union in NABIAC.

Reporting the decision to continue to support the existence of the branch in NABIAC, the credit union CEO advised that the staff and the community would determine the appropriate service hours to support the banking services being available at the credit union. Any transaction services required outside the opening hours of the branch can be conducted at the Bank@Post facility at the NABIAC Post Office.

Again, this is a great outcome and one brokered as a result of the commitment and support of both Holiday Coast Credit Union and the NABIAC community.
